1. Players and caddies shall walk at all times, as stated in the Rules of Golf, unless permitted to ride by the Committee
2. Players and caddies with a permanent disability or temporary/short term injury and who need to use a motorised buggy may do so subject to having a current and valid Medical Certificate.
3. Medical Certificates must be submitted to the Committee prior to play.
4. The buggy should be for the sole use of the authorised player or authorised caddy and their equipment.
5. It is the responsibility of the authorised player or caddie to inform and make arrangements with the host club if they wish to use a personal or hired buggy. They must comply with the club's Health and Safety Policy and where appropriate provide a copy of adequate personal and third party insurance.

The host club shall determine whether the use of buggies is allowed at all, or is permissible on each day of the Championship, taking into account relevant weather conditions, topography and ground conditions. This applies to private and hired buggies. Where a club has a limited number of buggies for hire these shall be booked on a first come first served basis.
7. The Committee does not accept any liability from the use of motorised buggies.
8. Penalty for breach of this policy and conditions is covered by the Rules of Golf
